Colorado Chapter Meeting

LET'S GET A 1967 RUNNING – PART III

@

We will meet at McDonalds

Just north of Jewell Avenue on Wadsworth Blvd.

We will get coffee and go give our best to an old Pontiac

We have worked on the car since February and we are getting close to having the car in road-worthy condition. This is a Chapter project to help the lady who is going to sell the car. The car was her husband's. It is a one-owner car and it needs a good home. Potential buyers have been hesitant to make an offer on the car because it has run lately. A running car will bring a much better price.

If you would like to donate parts, it would be appreciated. We could use some of your help, especially tune-up and electrical help.

Everyone is welcome.

It will be a worthwhile event to help someone out. you can't meet us at McDonalds, call Gary

Canady @ 303 264-9953 and I will give you the address and directions, if necessary.

### Upcoming Events

**Saturday, May 27 – Warbirds Show, Car Show and CCC Swap Meet -Front Range Airport**

**Saturday, June 3-Buick-Pontiac-Oldsmobile-Cadillac Show at the Boot Barn at Orchard Road and I-25**

**June 10 - Cruizin' Havana On Havana Street from 6<sup>th</sup> Avenue to Parker Road.**

## Pontiac Rising -up

By Gary Canady

In August, I got a call from Mike who was here visiting and said his sister-in-law, Michele, and she had a 19 67 Pontiac Lemans that she needed to sell. I agreed to take a look at the car and advertise it for her. I went over and she showed me the CONVERTIBLE that was original and complete. The car had been garage-stored for 18 years and was a sight-to-see.

I placed ads in *Smoke Signals* magazine and got several phone calls and a few lookers. My son and I, put a battery in the car and made sure the engine was free and not frozen. There was a drain on the battery that we could not identify; we were a long way at getting the car started.

At the January Chapter meeting, I told the membership about the car. I thought one of them would be interested in the car as a project. They were all interested in but not for themselves, but as a project to help Michele. With the agreement of Michele, the Chapter has taken on the project of making the Pontiac Rise Up and Run.

The Chapter is financing the project and accepts donations of parts and labor. We have the fuel tank cleaned out and the fuel lines either cleaned or replaced. We replaced the carburetor and fuel pump and move on to getting it started. It have installed new tires, found and corrected an electrical problem that was draining the battery, and we have a replacement shifter to install. Join in – we plan to work Saturdays, weather permitting.

For Sale. 1947 Pontiac 4 dr sedan, complete original car. Car is located in Longmont.

Contact Gary Canady to get additional information [gccanady@comcast.net](mailto:gccanady@comcast.net).

**For Sale:** am parting with my 64 Catalina Sport Coupe. The car restored in 2006 in Orlando Florida. Original Florida car with factory a/c converted over to R134 but needs a new Sanden compressor. I had new 4 wheel disc brakes installed in Spring 2016. Car has 1973 GTO YS400 and TH-400 trans and 4 new tires. Clevite High Performance Cam, HEI to name a few. Car is faster than my 67 GTO but drives beautifully in traffic as a grocery getter. A few 2006 restoration photos are on my facebook album here:

[https://www.facebook.com/michael.mcmillan.902/media\\_set?set=a.113863150190.199076.501740190&type=3](https://www.facebook.com/michael.mcmillan.902/media_set?set=a.113863150190.199076.501740190&type=3)

I have over \$28,000 invested, my "Happy price" is \$22K, but I am open to offers between that and \$18K.
